Vestal's Iris Garden

NORTH LITTLE ROCK, ARKANSAS

Specials on Standard Varieties

Among these you will find many fine irises. Some have been supplanted by newer improvements, others are older ones of which we happen to have a good stock. They are unsurpassed for landscaping and for the start of an inexpensive iris collection. At these special low prices we will pack out-of-town orders and ship by express collect.

10c each; \$1.00 per dozen; \$5.00 per hundred
